

GRACE BASED GRANDPARENTING

Discovering the Secrets to Heart Connection

presented by
Dr. Tim Kimmel

If you're going to be a grandparent, why not be intentional? That's not only where the real fun and joy is, but it's also where you'll find a pro-active, deeply relational way to make an earthly and eternal difference with your grandchildren.

Grandparenting was God's idea. And the good news is that he outlined a plan for how to be an effective one. He provided the ideal delivery system, four strategic roles for you to play, and a deeper heart connection for you to enjoy. This study -- *Grace Based Grandparenting: Discover the Secrets to Heart Connection* -- will equip you with a profound relational strategy that will empower you to touch your grandchildren's lives for time and eternity.

Whether or not you were as effective as you wanted to be as a parent, this study offers you a chance to once again, help groom a generation for greatness.
